Total amount of PPSG	

Background of PPSG Money:

The government has provided additional funding of £150 million per annum to improve the provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school head teachers. This funding is ring-fenced and is only for children in Key Stage 1 and Key Stage 2 and therefore can only be spent on provision of PE and sport in schools. In our school it is only for children in Year 1 and Year 2.

Summary of PPSG 2016 - 2017

Objectives of spending PPSG:

- To improve the provision of PE at The Brook through raised teacher confidence and equipping them with more effective and specialised skills & equipment in certain sporting activities.
- To encourage children to develop a more active lifestyle through offering taster activities for many local after school clubs.
- To develop the profile of PE throughout the school.
- To give all children the opportunity to experience different sports and become interested in the new sports offered.
- To develop a love of sport and physical activity.
- To encourage children to develop into healthy adults.
- To encourage children to deal with anxiety and stress and develop techniques for well being and a healthy lifestyle.

Record of PPSG spending by item/project 2016 - 2017

Some projects were unable to happen from our original plan and have been either removed or carried forward to next year. This evaluation covers what we used our money on only.

Item/Project	Cost	Objectives	Outcomes
Swimming- To give all children the opportunity to experience confidence in the water.	£983.25	<ul style="list-style-type: none"> • To teach children a key life skill. • To develop water confidence. • To help CT in the organisation and range of teaching styles shown with the swimming instructors. 	<p>All of Year 2 children went swimming this year. The results of this are - Badgers - before swimming 34.5% couldn't swim 65.5% could swim After swimming 10% still cannot swim 90% can now swim The results of this are that now only 3 children cannot swim out of that class and parents are on board to carry on swimming lessons out of school. Squirrels results were not updated due to maternity cover of the main CT role.</p>
Tennis coaching - To help develop all children's hand eye co-ordination with the introduction of tennis	£480.00	<ul style="list-style-type: none"> • To enable children to learn a new sport not offered currently at our school. • To enable teachers to be confident to carry on 	<p>Impact forms went out and 100% were very positive. The children enjoyed learning a new skill and there was 5 children that have now taken up tennis from</p>

		tennis coaching following the block sessions.	receiving lessons in school. All children made noticeable progress in tennis and with eye hand co-ordination. This was also used at playtime & lunchtime for the children to practice their skills. (Craze of the week)
Yoga - To give children the opportunity to experience yoga working of concentration, relaxation and mindfulness	£2880.00	<ul style="list-style-type: none"> • Termly staff training on simple yoga poses and breathing to use with the children. • To teach yoga to specific children weekly to enable them to perform better when learning. • To equip the children with the yoga skills they need to access all learning in the classroom. 	Yoga happened again this year - Impact forms went out at the beginning of the year and it has shown that - 100% of children benefitted from this and there is positive impact shown back in the classroom. (confidence, concentration and calming, listening, cooperation, self esteem and self belief)) Yoga is to continue next academic year.
To be involved in the celebration of dance in our 'Shine and Sparkle' show	£1716.80	<ul style="list-style-type: none"> • For children to perform at The Hawth. • For children to enjoy learning different dances and performing. • To encourage the love of dance • To experience performing in front of an audience 	A fantastic experience for all children Feedback from parents was extremely positive with all children enjoying the experience. Self confidence was increased in all children and ALL children were involved in the experience.
To join the Youth Sports Trust	£300	<ul style="list-style-type: none"> • To access training, courses, competitions for children and adults. • To work with Crawley schools and other West Sussex schools to deliver a better sports programme and encourage children to develop a healthier lifestyle. • To be involved in intra and inter sports competitions • To have a clear programme for the teaching and assessment for PE across the school. • To use the YST to move our school using the accredited YST self evaluation form - from emerging to embedded 	Training courses were completed and support was offered from the YST. Competitions were entered (hockey quick sticks for a selection of Y2 children, Cross country - unfortunately we were unable to take part in the athletics this year as it was on the same day as our sports day) Cross country - children were chosen from their ability to run and trials were taken part in Y2 to pick the best children who could run and have the stamina to keep running Assessment has been upgraded and all staff have a framework to monitor skills across KS1.
To raise the profile of PE within the school	PE coordinators release time - 4 days (used in half days) £120.00 a day	<ul style="list-style-type: none"> • To create the website to include PE and PE achievements throughout the school • Ensure that PE achievements are recorded in the newsletter • To send pictures to the local newspaper sharing our good practice and achievements • To make an area to show the children's achievements within the school -(personal achievements - being the best they can be - beating their personal best) 	Some of these targets did not happen and will be put onto the next action plan for next year. Brooks got talent happened monthly this year and mainly it was sports that were shown with football, tennis, gymnastics and dance. Craze of the week involved movement activities dance, keep fit , tennis and football. Wheelie Wednesday and Football Friday happened and is enjoyed. This gives children the opportunity to have specific activities to encourage movement at playtimes.

		<ul style="list-style-type: none"> To teach the children that fitter kids are better learners 	
To continue with the Jump start Johnny programme which encourages movement with music within the classroom setting.	£199.00 a year	<ul style="list-style-type: none"> To encourage brain breaks for all learners To develop coordination To develop active and healthy children To empower teachers to have an interactive time within their classrooms To promote an active lifestyle 	This was available for all school. All children enjoyed this programme of dance and movement. This running alongside funky fingers in reception has had an impact on the handwriting in Year 1 (85% of children having a better grip and stronger fingers for extended writing) Nursery used it the most and it was found to be used less as you went up the school.
A new music system for the hall for dance.	£1,570	<ul style="list-style-type: none"> As our previous sound system worked intermittently, this proved challenging when teaching dance or using music for warm ups throughout the year. This proved to be very difficult when practising for Sparkle and Shine. 	We now have a sound system that works, that uses an ipod connection, aux input and blue tooth to each class itouch. With setting up a school itunes account, we are able to use music for dance and warm ups without any problems.
New playground markings	£3,610	<ul style="list-style-type: none"> We have been trying to get new playground markings for the last few years but as we had some money left over, we decided this would be a great way to encourage more active playtimes as well as cooperative play across the curriculum. 	The school council chose the markings after meeting with their classes. The games they have chosen have improved playtimes and lunchtimes as children love accessing the markings and making up their own games. It has improved the confidence of lunchtime staff when playing with the children outside. It has encouraged much more activity outside.
PE resources	£200.00	<ul style="list-style-type: none"> To ensure adequate resources for PE. 	The school council and the PE coordinator looked at resources needed both for PE and playtimes. New resources were ordered which the children really enjoy accessing.
Forest Schools Hire of outside wooded area	£50.00	<ul style="list-style-type: none"> To enable children to use the woodlands adjacent to our school for activities. 	All year groups use the woodland throughout the year from well walks, poetry sessions, explorations and bringing learning to life. We run a forest schools course for Y1 children each year in this area.
