

PRIMARY PE SPORTS GRANT REPORT 2015 - 2016

Primary PE Sport Grant Awarded	
Total number of pupils on role	208
Total number of pupils eligible for PE Sports Grant	154
Total amount of PPSG received so far	£5084
Total amount of PPSG still to be received:	£3631
Total amount of PPSG	£8715

Background of PPSG Money:

The government has provided additional funding of £150 million per annum to improve the provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school head teachers. This funding is ring-fenced and is only for children in Key Stage 1 and Key Stage 2 and therefore can only be spent on provision of PE and sport in schools. In our school it is only for children in Year 1 and Year 2.

Summary of PPSG 2015 - 2016

Objectives of spending PPSG:

- To develop active, positive playtimes and lunchtimes for our children including training for all adults to support this.
- To improve the provision of PE at The Brook through raised teacher confidence and equipping them with more effective and specialised skills & equipment in certain sporting activities.
- To encourage children to develop a more active lifestyle through offering taster activities for many local after school clubs.
- To develop a love of sport and physical activity.
- To encourage children to develop into healthy adults.
- To encourage children to deal with anxiety and stress and develop techniques for well being and a healthy lifestyle.

Record of PPSG spending by item/project 2015 - 2016

Item/Project	Cost	Objectives	Outcomes
To buy resources for PE.	£4147.67	<ul style="list-style-type: none"> • Resources to support the positive playtimes and lunchtimes following on from Jenny Mosley work. 	<p>The school council questionnaire their classes about playtimes in the Autumn: 62% liked playtimes 24% - didn't like playtimes 14% - didn't know They then looked at what they wanted to make playtimes happier -</p> <ul style="list-style-type: none"> • More equipment • Markings • Ride ons • Longer playtimes <p>The school council then bought playground equipment for the children to use including ride ons, competitive games equipment such as tennis, hockey, a new golf set, basket ball hoops. The school council re interviewed their classes at the end of this term and the results were: 98% liked playtimes 2% didn't. Impact has been improved playtimes for children, less incidents as more organised play and better equipment that encourages collaborative play and more active playtimes.</p>
Swimming	£1521.75	<ul style="list-style-type: none"> • To teach children a key life skill. • To develop water confidence. 	<p>90% of our Y2's can swim independently without a float now. We have seen increased water confidence and for some children, raised self esteem.</p>

To train new TA's and midday meals staff on playground activities & games.	£750	<ul style="list-style-type: none"> • More activities being played at lunchtimes and playtimes. • Improved confidence & behaviour. • Jenny Mosley is returning to our school to work with staff and evaluate impact of her training. 	<p>We sent 6 members of our lunchtime staff on the Jenny Mosley training for positive lunchtimes. This ensured staff understood the basic principles behind behaviour at play and lunchtimes. Staff came back armed with games to play and we have seen an improved use of games, especially collaborative games at lunchtimes.</p> <p>We have implemented many of the ideas we got from our original day - zoned areas, craze of the week, pink for play, blue for patrol.</p> <p>We have seen a decrease in incidents at play and lunchtimes - less children coming in with injuries and less behavioural incidents.</p>
Yoga	£1890	<ul style="list-style-type: none"> • Termly staff training on simple yoga poses and breathing to use with the children. • To teach yoga to specific children weekly to enable them to perform better when learning. 	<p>28 children in Year 1 and Year 2 attended yoga this year.</p> <p>All teachers reported that most children (92%) showed improvement in one area or another. For some, the impact was huge.</p> <p>Impact has been:</p> <ul style="list-style-type: none"> • Improved concentration in class • Improved confidence • Improved listening skills • Ability to follow instructions in class • Improved behaviour • Improved pace of work • Children more engaged in learning • Improved control - gross and fine motor • Improved confidence when speaking in class • Enjoyment of yoga <p>The children who didn't make progress were children with behavioural difficulties who withdrew themselves from the classes.</p> <p>We are continuing yoga next year as we feel the benefits for these children have been huge.</p>
Dancetime	£60	<ul style="list-style-type: none"> • For children to perform at The Hawth. • For children to enjoy dancing and performing. 	<p>Our children got to perform in front of a real audience leading to increased confidence and self-esteem.</p>
Tennis coaching		<ul style="list-style-type: none"> • To enable children to learn a new sport not offered currently at our school. • To enable teachers to be confident to carry on tennis coaching following the block sessions. 	<p>Unfortunately the coach was unable to teach the sessions this year.</p> <p>However, as staff had participated in his training over the last two years, they were confident to deliver the coaching themselves.</p> <p>This is a very popular play and lunchtime activity as a result and we would hope that some children may take up tennis lessons outside of school.</p>
Use of a specialised and qualified play leader at lunchtimes	<p>£8 an hour for 60 hours £500</p> <p>This actually cost us £50 as the play leader was unable to make some of</p>	<ul style="list-style-type: none"> • To train Midday Meals Assistants & staff in making children more active at lunchtimes and playtimes. • To encourage more children to be active at lunchtimes and playtimes. • To encourage team work, problem solving and creative thinking in our 	<p>Tom has been in this year supporting the children's play. However, he has had to cancel quite a few sessions over the year.</p> <p>It has supported the lunchtime staff in giving them further ideas of games to play especially collaborative games.</p> <p>Many children love joining in with him at lunchtime and whichever playground he is on, he is very popular.</p>

To employ a specialist PE teacher to do some outside PE/gymnastic training/ with our teachers.		<ul style="list-style-type: none"> Teachers to develop confidence in teaching PE outside. Specialised gymnastic teaching for teachers. Pupils will be more confident in accessing gymnastics and outside learning. 	We have not been able to find a specialist PE teacher to help with this. Our current gymnastics teacher has been in the final year of her teacher training and was only able to commit to holiday clubs.
To join the Youth Sports Trust	£270	<ul style="list-style-type: none"> To access training, courses, competitions for children and adults. To work with Crawley schools and other West Sussex schools to deliver a better sports programme and encourage children to develop a healthier lifestyle. 	We have joined this and accessed a variety of courses over the year. We sent one of our lunchtime staff on a PE day along with a teacher and they came back with some great ideas for games which they now play at lunchtime. We have taken part in the inter school games available - the children have loved this and actually taking part in proper cross country and athletics gives them a great sense of achievement.
Gymnastics holiday club	£580	<ul style="list-style-type: none"> To provide access to a multi skills/gymnastics holiday club in May & summer holidays. To enable children to be active. 	We ran 2 holiday clubs over the year, both were full each day. Increased confidence of children when learning gymnastics. Have any children taken up gymnastics outside of school as a result of this?
To contribute towards our locality SSCO.		<ul style="list-style-type: none"> To improve participation in intra and inter schools sport. To develop training for NQT's. Organisational and running of inter schools competitions. 	We didn't need to pay this as the locality SSCO left and was not replaced.
