#### Background of PPSG Money:

The government has provided additional funding of £150 million per annum to improve the provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school head teachers. This funding is ring-fenced and is only for children in Key Stage 1 and Key Stage 2 and therefore can only be spent on provision of PE and sport in schools. In our school it is only for children in Year 1 and Year 2.
