

Dear Parents and Carers,

Last year the Brook School Eco Warriors completed a litter pick around the edge of Maidenbower Park and they were shocked at the amount of rubbish they collected! They made a small dent in a massive problem. This year they want to go bigger and make more of an impact but to do this we need your help!

'Keep Britain Tidy' hosts an event called 'The Great British Spring Clean' which runs from the 22nd March- 23rd April. They ask 'Litter Heroes' to join them in caring for the environment on their doorstep.

Therefore we are organising '**The Great Maidenbower Spring Clean**' on **Saturday 23rd March** between **10am-12pm**. This will be a community litter pick event where we invite families and residents of Maidenbower to help make where we live green again.

If you would like to join us we ask that you meet at **Maidenbower Square at 10am** for a quick safety briefing. Bring family and friends, everyone is welcome. We will have a limited number of litter pickers, black bags and gloves so if you have any please bring them along. We will have a central point for collecting full rubbish/recycling bags so that we can see how much we have collected at the end.

Can't join us? Why not organise a spring clean party in your street. A great way to meet the neighbours whilst making your street a cleaner place to live!

Information on 'The Great British Spring Clean' including health and safety information will go live on their website on 26th January. You can visit the website at <http://www.keepbritaintidy.org>.

We look forward to seeing as many of you as possible.

The Brook School, Maidenbower Infant School and Maidenbower Junior School
