Welcome back to Spring Term 2020! We hope you had a lovely Christmas and that the children are looking forward to the busy term ahead. We have been reviewing how we plan activities for all the different ages and interests in club and have decided to change how we do this.

From January we will be focusing our activities on themes from selected books. We all love books and know they provide us with such a wealth of inspiration so for this next half term we have therefore chosen some of our favourites books:

As a result of using these texts as our inspiration, we have planned lots of exciting activities through the term, here is just a sneak preview of some of them:

- The children will be creating a time capsule. They will decide what goes into the capsule but we are hoping that everyone will write or draw something that reflects their likes, dislikes, favourite music, food, sport or what they want to be or do in the future! We will then open the capsule this time next year and see what is the same and what is different one year on!
- We are having a fashion week with a Binbag Catwalk on Thursday 16th January. The children will be busy creating their Binbag masterpieces which they will get the opportunity to model down the catwalk! We cannot wait to see the wonderful creations!
- We will also be getting creative and colourful with Chinese New year. We have so much planned for this book including making paper lanterns, origami, making money belts and creating a dragon dance!

As always, as well as the planned activities listed above, we always have lots of outside play and games as well as construction and crafts available for the children to enjoy.
